■ Many benefits for ship owners and ship management companies!

1. By selling this card (or its pin numbers) to crews, ship owners can distinguish the private calls from the business calls.
2. By using this card, ship owners can avoid to calculate the duration time and charges of the calls on board.
3. Instead of delivering calling cards to ship owners or ship management companies, pin numbers can be only delivered to users directly during a voyage on request.
*The payment must be made by ship owners or ship management companies.
4. This card can be used also on the both of **Inmarsat F**.

*Please use KDDI (003) as LES-ID.
